Medical Technology & Medical Packaging Products

2

Pharmaceuticals & Pharmaceutical Packaging Applications

3

Healthcare Plastics Waste Management

Exhibitor Profile

- Medical Plastic Resins, Chemicals & Additives
- Testing, Quality Control & Monitoring Instrumentation
- Medical Plastic - Components, Sub-Assemblies
- Medical & Pharmaceutical Packaging Supplies & Machinery
- Medical Plastic Disposable & Devices
- Medical Packaging Films and Pouches
- Laboratory / Testing Equipment & Services
- Processing and Treatments Products & Services

Visitor Profile

- Medical Device Producers
- Pharmaceutical Companies
- Diagnostic Product Manufacturers
- Medical Plastic Manufacturing / Processing Companies
- Plastic & Additive Suppliers
- Market Research Companies
- New Entrepreneurs & Existing Companies
- Vendors of Medical Devices, Pharmaceutical & Diagnostic Companies

Plastivision India 2020 Offers Strategic Platform with Focused Medical & Healthcare Plastics Pavilion

Highlights

- Dedicated Zone in the largest Plastics Show
- Huge Opportunity For Suppliers Of Medical Polymers , Packaging Materials & Machineries Targeting Medical Devices & Healthcare Plastics Sector
- Have Your Presence In the Dedicated Zone.
- All Sizes of Exhibitor Space Available
- Special & Extensive Visitor Promotion Campaign being carried out for the visitors from Medical Sector

Immense Opportunities also For Visitors To.

- Update On the current Scenario
- Discover New Developments & Innovations
- Meet Technology / Material Suppliers
- Learn about New Business Opportunities
- Look at Materials / Products / Models / Video and demonstrations.

Seminars / Interactive Sessions

To provide benefit of interactions with Industry Experts to the visitors, Seminars / Interactive Sessions will be held during the exhibition days in the specially created Seminar Hall in the Pavilion, the details of which are given below :

Shortlisted Subjects for Presentations / Interactions :

- 1) Importance of Medical Polymers and processing for the growth of medical device industry
- 2) Regulatory compliance and its importance in the medical plastics sector
- 3) Workshop on biocompatibility of Medical Polymers
- 4) Trends and opportunities for medical grade polymers
- 5) Medical Textiles : New opportunities and trends
- 6) Quality testing of polymers required for medical applications
- 7) Diversifying into medical injection moulding for non-medical processors
- 8) Medical polymers processing : injection moulding and extrusions
- 9) Designing of mould and components for medical devices
- 10) Medical device assembly adhesives : new technologies and industry trends
- 11) Medical device packaging : current trends and new developments

Shortlisted Industry Experts / Professionals / Companies :

- **Mr. Kishore Khanna** : Managing Director, Romsons Group of Industries, Agra
- **Dr. T S Kumaravel** : Founder Chairman , GLR Laboratories Pvt. Ltd., Chennai
- **Dr. SS Murugan, Managing Director**, GLR Laboratories Pvt. Ltd., Chennai
- **Dr. Ketan Vadodaria** : Head ,Centre of Excellence for Medical Textiles–SITRA, Coimbatore
- **Dr. M.L. Aggarwal** : Dy. Director (HOD Bio Division), Shriram Institute For Industrial Research
- **Mr. Anil Chaudhary** : CEO , Operon strategist , Pune
- **Jay Prakash** : SkyValue Global FZE
- **Mr. Mehul Kothari**, Technical Manager, New Vimko Plastics, Mumbai
- **Milacron India Private Limited, Ahmedabad**
- **Mr. Sanjay Chotalia**, Manager – Medical Segment Expert Covestro (India) Pvt. Ltd, Mumbai
- **Lubrizol Advanced Materials India Pvt. Limited, Mumbai**
